| <b>Product Name:</b>          | ADAMTS-2 Antibody                                                                                                                                                                                                                                   |
| <b>Catalog Number:</b>        | C14312                                                                                                                                                                                                                                              |
| <b>Reactivity:</b>            | Human, Rat, Mouse                                                                                                                                                                                                                                   |
| <b>Applications:</b>          | WB, ELISA                                                                                                                                                                                                                                           |
| <b>Dilutions:</b>             | Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications.                                                                                                                                                                 |
| <b>Modification:</b>          | Unmodified/Total                                                                                                                                                                                                                                    |
| <b>Source:</b>                | Polyclonal Rabbit                                                                                                                                                                                                                                   |
| <b>Purification:</b>          | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                               |
| <b>Immunogen:</b>             | Synthesized peptide derived from ADAMTS-2 . at AA range: 1140-1220                                                                                                                                                                                  |
| <b>Concentration:</b>         | 1 mg/ml                                                                                                                                                                                                                                             |
| <b>Gene Name:</b>             | ADAMTS2                                                                                                                                                                                                                                             |
| <b>Protein Name:</b>          | A disintegrin and metalloproteinase with thrombospondin motifs 2                                                                                                                                                                                    |
| <b>Other Name:</b>            | ADAMTS2; PCINP; PCPNI; A disintegrin and metalloproteinase with thrombospondin motifs 2; ADAM-TS 2; ADAM-TS2; ADAMTS-2; Procollagen I N-proteinase; PC I-NP; Procollagen I/II amino propeptide-processing enzyme; Procollagen N-endopeptidase; pNPI |
| <b>Human Swiss Prot No.:</b>  | O95450                                                                                                                                                                                                                                              |
| <b>Formulation:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                             |
| <b>Specificity:</b>           | ADAMTS-2 Polyclonal Antibody detects endogenous levels of ADAMTS-2 protein.                                                                                                                                                                         |
| <b>Storage and Stability:</b> | -20°C/1 year                                                                                                                                                                                                                                        |
