

## Antibodies Product Datasheet

|                               |                                                                                                                               |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Name:</b>          | CHST13 Antibody                                                                                                               |
| <b>Catalog Number:</b>        | C14924                                                                                                                        |
| <b>Reactivity:</b>            | Human, Rat, Mouse                                                                                                             |
| <b>Applications:</b>          | WB, IHC-p, IF(paraffin section), ELISA                                                                                        |
| <b>Dilutions:</b>             | Western Blot: 1/500 - 1/2000. Immunohistochemistry: 1/100 - 1/300.<br>ELISA: 1/40000. Not yet tested in other applications.   |
| <b>Modification:</b>          | Unmodified/Total                                                                                                              |
| <b>Source:</b>                | Polyclonal Rabbit                                                                                                             |
| <b>Purification:</b>          | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.         |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized peptide derived from human CHST13. AA range:211-260                            |
| <b>Concentration:</b>         | 1 mg/ml                                                                                                                       |
| <b>Gene Name:</b>             | CHST13                                                                                                                        |
| <b>Protein Name:</b>          | Carbohydrate sulfotransferase 13                                                                                              |
| <b>Other Name:</b>            | CHST13; Carbohydrate sulfotransferase 13; Chondroitin 4-O-sulfotransferase 3; Chondroitin 4-sulfotransferase 3; C4ST-3; C4ST3 |
| <b>Human Swiss Prot No.:</b>  | Q8NET6                                                                                                                        |
| <b>Formulation:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                       |
| <b>Specificity:</b>           | CHST13 Polyclonal Antibody detects endogenous levels of CHST13 protein.                                                       |
| <b>Storage and Stability:</b> | -20°C/1 year                                                                                                                  |
