| <b>Product Name:</b>          | HLTF Antibody                                                                                                                                                                                                                                                   |
| <b>Catalog Number:</b>        | C48741                                                                                                                                                                                                                                                          |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                                                                                                                                                    |
| <b>Applications:</b>          | WB                                                                                                                                                                                                                                                              |
| <b>Dilutions:</b>             | WB 1:500-2000                                                                                                                                                                                                                                                   |
| <b>Modification:</b>          | Unmodified/Total                                                                                                                                                                                                                                                |
| <b>Source:</b>                | Polyclonal, Rabbit,IgG                                                                                                                                                                                                                                          |
| <b>Purification:</b>          | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                           |
| <b>Immunogen:</b>             | Synthesized peptide derived from human HLTF                                                                                                                                                                                                                     |
| <b>Concentration:</b>         | 1 mg/ml                                                                                                                                                                                                                                                         |
| <b>Gene Name:</b>             | HLTF HIP116A RNF80 SMARCA3 SNF2L3 ZBU1                                                                                                                                                                                                                          |
| <b>Protein Name:</b>          | Helicase-like transcription factor (EC 3.6.4.-) (EC 6.3.2.-) (DNA-binding protein/plasminogen activator inhibitor 1 regulator) (HIP116) (RING finger protein 80) (SWI/SNF-related matrix-associated actin-dependent regulator of chromatin subfamily A member 3 |
| <b>Other Name:</b>            |                                                                                                                                                                                                                                                                 |
| <b>Human Swiss Prot No.:</b>  | Q14527                                                                                                                                                                                                                                                          |
| <b>Formulation:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                                         |
| <b>Specificity:</b>           | This antibody detects endogenous levels of HLTF at Human, Mouse                                                                                                                                                                                                 |
| <b>Storage and Stability:</b> | Store at -20° C/1 year                                                                                                                                                                                                                                          |
